- Completed application form

See inside for application details and deadline dates.

Tannum Crab Classic in partnership with Gladstone Community Linking Agency and the support of our local community, proudly raise funds for local families who have a child with a disability.

## About Us

The Tannum Crab Classic (TCC) is an annual event that raises funds for local families who have a child with a disability, as well as raising awareness of men's mental health and suicide prevention.

In 2018 the event was supported by 2000 community members, collectively raising \$30,000 to enhance the lives of our local children living with a disability.

TCC started as just a few mates coming together to raise much-needed funds to provide equipment to children in the community with a disability. The group quickly grew to over 50 men organising a variety of community events, including an all 'bucks' crab-catching camp-out (catching the crabs for the competitions at the weekend community event), a Girls Night Out and a Family Fun Day.

The event is supported by a partnership between Gladstone Community Linking Agency (GCLA) and the Tannum Crab Classic.

Over the last 23 years, GCLA has carved a path as an innovative leader in the Disability and Aged Care sector. GCLA assists people with various levels of support in their own home, respite or out in the community and strives to support customers to lead fulfilling and independent lives.

## Assessment of Applications

Applications will be assessed against eligibility criteria and included in a random prize draw monthly.

Between July and February one successful applicant will receive an IPAD each month and an allocation of movie tickets will be provided to runners up.

**Application Closing Date**                      **31 December 2018**

**Submit completed application forms by email to GCLA:**

**Att: TCC Prize Draw**
